SPECIAL CHILDREN'S FUN FAIR SET FOR JOLIET

JOLIET – The All Our Kids Early Childhood Network and the Will County Child Abuse Prevention Coalition are cosponsoring a free community children's fun fair March 27, at Joliet West High School (401 N. Larkin Ave).

All are welcome to this special event, which is scheduled from 10 a.m.-1 p.m. There will be music, dancers, face painting, a car seat check, a community resource table and much more at the fair.

The All Our Kids Early Childhood Network is a Will County Health Department Division of Family Health Services program. All Our Kids is a community-based collaboration committed to developing a quality, well-coordinated, accessible system of care designed to promote positive growth and development for children up to five years old, and their families.

The program provides linkages to a wide range of services, including: prenatal care, Well-Baby checkups, and parenting education. Specialized services are also available, including: speech therapy, physical therapy, and home visits.

The March 27 event will be the eighth annual fun fair at West High School. This all ages event provides young people with an opportunity to have a good time, while providing important information parents can use to help protect their children.

For more information about the annual fun fair, telephone 815-774-7328.
