# Let's show everyone that Will County is ALL IN!

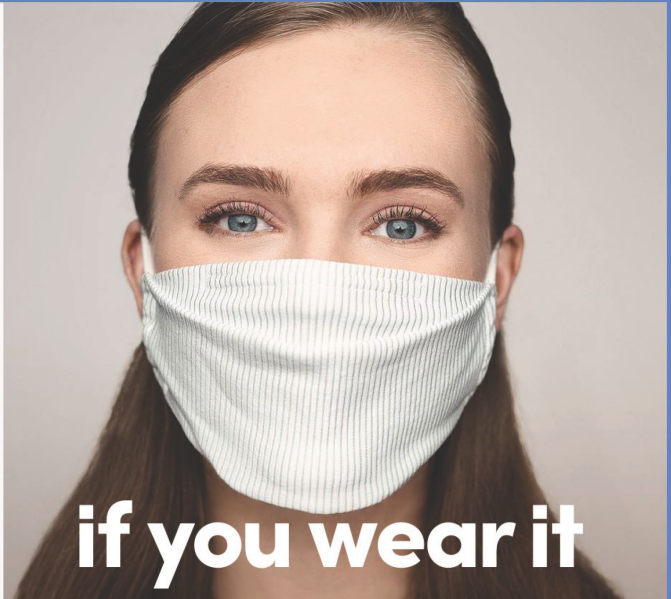

it only works

if you wear it

sólo te protege

cuando la usas

Every day we do things that keep us safe, like wearing a life jacket. But if we forget, or don't do them (even once), we put ourselves and others at risk. A mask is no different. It only works if you wear it. So always wear a mask when you're out in public to protect yourself and others.

**We're all safer and stronger when we go all in, Illinois.**
