Will County Health Department's (WCHD) Tobacco Control & Prevention (TC&P) Program agrees to:

- Loan out the above requested materials to be used for educational purposes.
- Check all materials to make sure they are working properly and are not damaged before they are checked out.
- Provide a brief instruction on how to properly use the materials the first time you check them out. (Subsequent use of the same materials will not require this instruction.)
- Provide you with additional handouts and activity ideas upon request.
- WCHD TC&P program reserves the right to change or cancel the dates that were requested. All efforts will be made to give a 48-hour notice should this occur.

Borrower agrees to:

- Call the Tobacco Control & Prevention program at **815-774-4482** within 48 hours if changes in the above pick up/drop off dates need to be made.
- Provide us with a copy of your license or ID card.
- Pick up and drop off loaned materials to the Will County Health Department located at:
 - 501 Ella Avenue, Joliet, IL 60433
- Materials must be delivered to a Will County Health Department staff member to be signed out and in.
- If arranged in advance with tobacco staff, you may drop off the materials at an alternate location.
- If using the pig lungs, they must be stored and transported in their provided containers.
- Return the materials within 48 hours after use.
- Return the materials in the same condition they were received.

In addition, please keep in mind that the Centers for Disease Control recommends that instruction for tobacco prevention include the short and long-term negative physiological and social consequences of tobacco use, social influences on tobacco use, peer norms regarding tobacco use, and refusal skills.
