Illinois Minor Consent Law Information

- IL Age of Consent: 17**
 Age of Consent is the age at which a person's consent to sexual intercourse is valid in law.
- Birth Control:** Doctors may provide birth control services and information to minors (under the age of 18), without the consent of parents or guardians (some restrictions may apply).
- Treatment for STD/STI:** By law, a person 12 or older can consent to STD/STI testing and treatment.

Community Health Educators have established links and referrals to a network of organizations listed in this guide that can provide high-quality, youth-friendly healthcare and support services.
