CONFIDENTIALITY

Everything you discuss with clinic staff will be kept private.

CONSENT

By law, ages 12 and older can give consent to sexual health services in the state of Illinois.

TRUST US

Teen years can be a confusing time, but you are not alone. Trust us to help you with all the questions you may have during this time.

In 2015, 44% of IL teens did not use a condom the last time they engaged in sex.

In 2014, there were 352 live births among teens in Will County.

In 2015, 85% of IL teens had never been tested for HIV.
