WHAT DOES MEDICAID COVER?

- The Illinois Medicaid program covers most medical services
- Annual well-care or yearly visits are the primary services offered
- You may also receive free or low-cost emergency room visits, urgent care visits, emergency dental services, vision, mental health, substance use treatments, and more
- If you're an older adult, the program may even cover a portion of your long-term healthcare expenses, including in-home care or a short stay at a nursing facility
- While not all prescriptions get covered by Illinois Medicaid, most are
