

Will County MAPP Collaborative Food Access Work Group

Mobile Pantries & Food Access

The Mobile Pantry is a traveling food pantry that provides food to high-need communities with limited resources. The set-up is much like a farmer's market where neighbors in need can choose the food that meets their dietary preferences. Mobile pantries provide thousands of pounds of food for up to 250 families. These trucks provide fresh produce, protein, and non-perishable foods to our hungry neighbors.

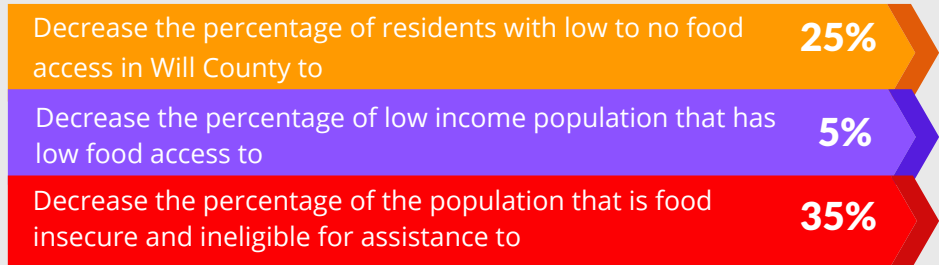

2019 Mobile Pantries Success

MAPP-sponsored mobile pantries is one of many strategies used to tackle food insecurity in Will County.

FOOD INSECURITY GOAL: 2023

Thanks to Our 2019 Mobile Pantry Sponsors

- Will County MRC
- Spesia and Ayers Law Firm
- EZ Auto
- D'Arcy Auto
- AMITA Health
- Watershed Development Corporation
- T-Mobile
