

Will County Health Department

# ADOLESCENT HEALTH

2019/2020

If you are a minor - **12 years & older** - you have certain health care rights in Illinois - Know them

---

Adolescents ages 12 & up have the right to the following **WITHOUT** parental/guardian consent:

- Pregnancy testing & prenatal care
- Birth control (condoms, the pill, & other options available)
- Testing & treatment for sexually transmitted infections (STIs)
- Substance abuse treatment
- Mental health counseling (Up to eight, 90-minute mental health counseling sessions for ages 12-16)

For more information & how to obtain any of the above services, call the Will County Community Health Center 1-815-727-8670
