

Will County Health Department

Community Health Center

Congregate Settings Testing Sites/Dates

These testing locations are limited to employees, residents, students and/or clients of the participating organization (all locations will test 9 AM – 1 PM)

Tues Sept 29: Lively Hope Church of God in Christ,
308 N Midland Ave, Joliet

The Will County Community Health Center is providing COVID-19 testing to anyone who wants to be tested. The health center will not collect any money at the location. If you have insurance, a small administrative fee may be billed directly to your insurance by the Illinois Department of Public Health to cover the cost of processing the sample at the laboratory.
