

WILL COUNTY COMMUNITY HEALTH CENTER

WE NEED YOU!

The Will County Community Health Center is seeking leaders to serve on Will County Community Health Center's Governing Council to assist us in promoting the voices of traditionally underserved populations.

Governing Council Members Qualities

- Ability to attend monthly meetings.
- Willingness to serve the community and express thoughts and ideas.
- Medical experience not required, but would love to have a physician, dentist or behavioral health specialist.
- Experience in any of the following areas would be preferred: accounting, finance, marketing, communications, manufacturing, education, grants and development.

We welcome patients of the Community Health Center to apply.
We are especially in need of members from the Spanish-speaking Hispanic/Latinx community.

**If Interested in this leadership opportunity, please contact
June Reisner at jreisner@willcountyhealth.org**

**Will County
Health Department &
Community Health Center**

The mission of the Will County Community Health Center is to improve the health of the resident of Will County by providing access to quality integrated medical, behavioral health and dental care through community collaboration, service and education.
